

Environmental, Health & Safety Policy

Power Paper conducts its business operations in a manner that preserves the environment and protects the health and safety of customers, employees and neighboring communities.

Power Paper is committed to comply with or exceeding all relevant regulatory requirements, to prevention of pollution, and to continual improvement in the environmental, health and safety performance of its operations, processes and products. Power Paper encourages its suppliers to improve their environmental, health and safety performance.

All managers and employees are expected to support and take responsibility for the implementation of this policy in accordance with their roles in the organization.
